

**DEAR SR.ANTICA AND FAMILY
AND ALL SFO BROTHERS AND SISTERS**

Oh, God.....

**Help us rightly to remember the birth of Jesus
That we may share in the songs of the angels
the gladness of the shepherds,
And the worship of the wise men
& May Christmas morning make us happy to be your children.
We pray that God's presence be especially near dear to you this Christmas.**

SPECIAL THANKS

We are ever grateful to you and all your family members and all SFO and other friends who have been helping us to provide shelter, food, education and spiritual formation not only to the orphan children but to many other homeless and struggling youth and older ladies who have found new life through this house.

As we have a small new house on rent where we have few more homeless girls struggling For shelter, food, education and training in some profession and most of all better guidance to live as good human, Christian and Catholic person and if God calls any of them ,they may opt for a Franciscan life, for which we will always need your regular prayers and continuous financial support.

Thanking you once again for all your love and support.
